Any **Claimant** under this **Policy** will at **Our** request and expense take and permit to be taken all necessary steps for enforcing the rights against any other party in **Your** name before or after any payment is made by **Us**.

Claims Conditions

The following **Claims Conditions** apply to this **Policy**.

1. **You** will give **Us** written notice within the **Period of Insurance** and in any event within 30 days of when you first became aware of:
 - a. any **Claim** or circumstance which is likely to give rise to a loss or **Claim** including any circumstance likely to give rise to a need to incur mitigation costs,
 - b. the receipt of notice from any party of an intention to make a **Claim**,
 - c. the discovery that any **Document** has been destroyed damaged lost or mislaid.

Where any circumstance is notified during the **Period of Insurance** in accordance with this condition and supplying **Us** with full particulars of the circumstances including the dates and persons involved and the reasons for anticipating a **Claim** or prosecution any later **Claim** or prosecution arising out of the circumstances so notified will be deemed to have been first made at the date of notification.

 - a. use due diligence and ensure that all reasonable and practicable steps are taken to avoid or diminish any liability which may give rise to or has given rise to a **Claim** or loss,
 - b. disclose to **Us** all relevant information and in addition will provide assistance to **Us** to enable **Us** or **Our** agents to investigate and/or defend any **Claim** or loss under this **Policy** and/or enable **Us** to determine **Our** liability under this **Policy**.

Allocation

In the event that both indemnity for a **Claim** or loss payable by this **Policy** and liability for a **Claim** or loss not payable by this **Policy** arises either because:

1. a **Claim** or a loss against **You** includes both payable and non payable matters; or
2. a **Claim** against **You** is made and others are party to the proceedings or demand to which the **Claim** relates;

then both **You** and **Us** will use their best efforts to agree the allocation of such amount between payable loss and non payable loss based on a fair and proper assessment of the relative legal and financial exposures.

Any allocation of **Defence Costs and Expenses** on account of a **Claim** which is negotiated or determined in accordance with this condition will be applied retrospectively to all **Defence Costs and Expenses** on account of such **Claim**.
